

# A HUMBLE PRAYER AND PETITION

---

Her Excellency  
Ms Quentin Bryce AC  
Governor-General of the Commonwealth of Australia  
Government House, Dunrossil Drive  
YARRALUMLA ACT 2600

## MAY IT PLEASE YOUR EXCELLENCY

I believe that it is my duty to keep you informed of 'MY WILL' on anything that comes before Parliament, or that should come before Parliament.

The Queensland Government has enacted the Water Fluoridation Act 2008 - (Act No. 12 of 2008) for the compulsory 'fluoridation' of Queensland's drinking water supply with such 'toxic chemicals' as, namely...

- Disodium Hexafluorosilicate - *commonly known as...* Sodium Fluorosilicate (Na<sub>2</sub>SiF<sub>6</sub>)
- Hexafluorosilicic Acid - *commonly known as...* Fluorosilicic Acid (H<sub>2</sub>SiF<sub>6</sub>)
- Sodium Fluoride (NaF)

In fact, these toxic fluoridation chemicals are waste materials from aluminium smelters and fertilizer plants, the disposal of which are governed by international law.

Furthermore, the proposed toxic fluoride compounds, which constitute the fluoridation chemical cocktail (see above), have been 'Banned, Rejected or Stopped' for public water fluoridation by Austria, China, Belgium, Denmark, Finland, Germany, Hungary, Japan, Norway, Sweden and The Netherlands, with others countries currently following suit.

Therefore, as a conscientious objector to the compulsory 'fluoridation' of my family's drinking water, it is 'MY WILL' that no compulsory 'fluoridation' of Australia's public drinking water supplies are undertaken, or continued, without the consent and express will of the Australian People by referendum, which may be held in conjunction with the next Federal election.

I do most humbly and respectfully Pray and Beseech Your Excellency to convey 'MY WILL' to the Commonwealth House of Parliament.

I am one of Her Australian Majesty's respectful servants.

## GOD SAVE THE QUEEN!
