

A HUMBLE PRAYER AND PETITION

Her Excellency
Ms Penelope Wensley AO
Governor of Queensland
Government House
Brisbane Qld 4001

MAY IT PLEASE YOUR EXCELLENCY

I believe that it is my duty to keep you informed of 'MY WILL' on anything that comes before Parliament, or that should come before Parliament.

The Queensland Government has announced its intention for the compulsory 'fluoridation' of Queensland's drinking water supply with such 'toxic chemicals' as, namely...

- Disodium Hexafluorosilicate - *commonly known as...* Sodium Fluorosilicate (Na₂SiF₆)
- Hexafluorosilicic Acid - *commonly known as...* Fluorosilicic Acid (H₂SiF₆)
- Sodium Fluoride (NaF)

In fact, these toxic fluoridation chemicals are waste materials from aluminium smelters and fertilizer plants, the disposal of which are governed by international law.

Furthermore, the proposed toxic fluoride compounds, which constitute the fluoridation chemical cocktail (see above), have been 'Banned, Rejected or Stopped' for public water fluoridation by Austria, China, Belgium, Denmark, Finland, Germany, Hungary, Japan, Norway, Sweden and The Netherlands, with others countries currently following suit.

Therefore, as a conscientious objector to the compulsory 'fluoridation' of my family's drinking water, it is 'MY WILL' that no compulsory 'fluoridation' of Queensland's public drinking water supplies is undertaken without the consent and express will of the Queensland People by referendum, which may be held in conjunction with the next State election.

I do most humbly and respectfully Pray and Beseech Your Excellency to convey 'MY WILL' to the Queensland House of Parliament.

I am one of Her Australian Majesty's respectful servants.

GOD SAVE THE QUEEN!
